

AGRAIMPEX SP. z o.o.

We are a leading Polish trading company in the meat industry since 1991.

Our trading activities include buying livestock, slaughtering, trading with carcasses and finally deboning and processing meat.

We trade in beef, pork, poultry, horse meat and livestock. Nevertheless beef is our leading trade item. Apart from the meat we also buy and sell frozen vegetables and fruits as well as seeds and cereals.

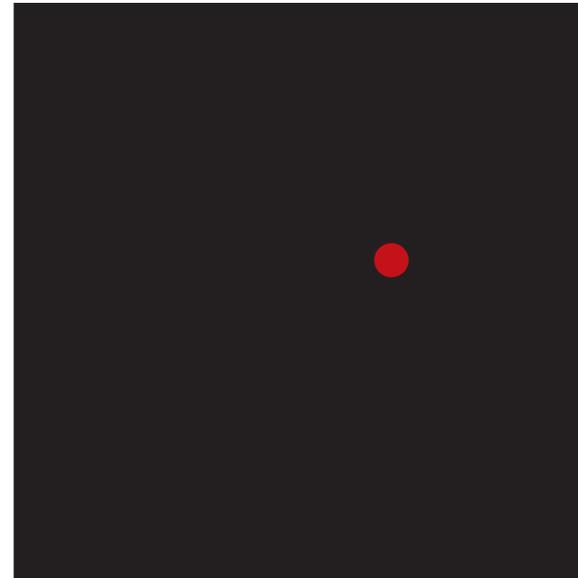

Thanks to multilingual sales department our export reaches not only the European Union but also continuously expands onto overseas markets.

We do our best to offer our customers professional service, the most competitive price and the highest quality of our products.

We certify our production with: HACCP, IFS, BRC, Orgainvent standards.
